

LIFE TO THE Full

A new programme in Catholic RSHE

Ten Ten's new programme, **Life to the Full**, teaches Relationship, Sex and Health Education within the context of a Christian understanding of human sexuality rooted in the wisdom and teaching of the Catholic Church.

Given that RSHE became a statutory subject for all schools in September 2020, we are embracing “the challenges of creating a happy and successful adult life” by giving pupils knowledge “that will enable them to make informed decisions about their wellbeing, health and relationships” (DFE Statutory Guidance).

We deliver this teaching through the prism of Catholic RSHE. The framework of our programme is taken from the Model Catholic RSHE Programme by the Catholic Education Service, which has been highlighted by the Department of Education as a work of good practice.

Life to the Full addresses the needs of young people where they are at in today's world. The teaching includes lessons on puberty, personal hygiene, fertility, menstruation, family and friends, sexual intimacy, delaying sex, an understanding of the body, sexuality, marriage, gender, online relationships, social media, consent, grooming, pressure, STIs, contraception and natural family planning, abortion/miscarriage, the effect of drugs and alcohol on relationships, pornography and sexual exploitation. The programme will be fully inclusive of all students.

Sessions can be taught by RE, PSHE or RSHE Leads. The programme is being written on the assumption that not all lead staff will be Catholic, and our guidance and training for staff will be mindful and supportive of this.

WHAT IS IT?

FAQ

I have been booking Ten Ten Theatre plays for years. What has changed?

We have created a new online Programme of Study called 'Life to the Full' which will complement the 'cinema-in-education' sessions that we have been running in schools. By subscribing, you and your staff will receive full online access to this programme of study.

What is included in the Programme of Study?

Brand new lessons in Catholic RSE pitched age-appropriately for students in Years 7 to 11. (NB in 2020/21, the Year 10 and 11 programmes will be the same content). These are completely original and different from the cinema-in-education sessions we have been running in schools.

How long is each programme?

Each programme contains 7 sessions which can be delivered in the following formats:

- 7 x 50-minute lessons
- 14 x 25-minute lessons
- 14 x 50-minute lessons

What are 'cinema-in-education' sessions?

These are the sessions that Ten Ten has been running in schools since 2007 (when we started, they were 'theatre-in-education' sessions). The sessions include the films '**Babies**', '**Love, Honour, Cherish**', '**Truth and Lies**', '**Facts of Life**' and '**The Trouble With Max**'. As a subscriber to 'Life to the Full', you will have online access to all of these sessions.

Can I still book a Ten Ten facilitator?

No, we no longer offer the option to book a Ten Ten facilitator. Instead, we provide you with the resources and training to lead these sessions in-house as part of the wider programme of study.

But we deliver RSE on drop-down days by external visitors. Can't we just have Ten Ten in for one day?

The DFE statutory guidance says that, "Effective teaching in these subjects will ensure that core knowledge is broken down into units of manageable size and communicated clearly to pupils, in a carefully sequenced way, within a planned programme of lessons." Given the new law, schools must consider how they are going to integrate the statutory curriculum into lessons, not just on drop-down days. "Life to the Full" offers a solution to this challenge.

Some year groups have more pupils than others. What price level do we pay?

Please calculate the average number of students per year group from Years 7-11. We will cross-check your calculations against our records.
